Safety Instruction Guide for Magazine Base Pad +3 for CZ TS Series

Introduction

Thank you for purchasing the Magazine Base Pad +3 for CZ TS series and Speed Line Magazine Base Pad for Shadow 2, SP01, CZ 75. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the Magazine Base Pad is compatible with your specific CZ model before installation.
- Always handle firearms and their accessories with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Emergency Glass Breaker:** The tungsten carbide tip is designed to break glass in emergencies. Use this feature only in genuine emergency situations.
- **Capacity Increase:** The base pad allows an increase in magazine capacity by two rounds. Ensure that the magazine spring is in good condition to avoid malfunctions.
- **Proper Handling:** Always treat your firearm as if it is loaded. Never point the firearm at anything you do not intend to shoot.
- **Storage:** Store the Magazine Base Pad in a dry, secure location when not in use to prevent accidental damage or injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing base pad from the magazine by following the manufacturer's instructions.
- Align the Magazine Base Pad with the magazine and press it into place until it clicks securely.
- Verify that the base pad is securely attached before use.

2. Usage:

- Load the magazine according to the manufacturer's specifications, ensuring not to exceed the maximum capacity.
- When using the emergency glass breaker feature, aim carefully and strike the glass with sufficient force to ensure effectiveness.
- After use, inspect the base pad and magazine for any signs of wear or damage.

Disposal Instructions

- Dispose of the Magazine Base Pad in accordance with local regulations for plastic and metal waste.
- Do not dispose of the product in fire or extreme heat, as it may cause harmful fumes or environmental damage.
- If the product is damaged or no longer usable, consider recycling where possible.

Contact Information for Further Support

For any questions or concerns regarding the Magazine Base Pad, please consult the manufacturer's website or contact their customer service for assistance. Ensure to have your product details handy for efficient support.

Thank you for choosing the Magazine Base Pad +3 for CZ TS series. Your safety and satisfaction are our top priorities.
