Safety Instruction Guide for Magazine Base Pad +3 for CZ TS Series and Speed Line Magazine Base Pad for AREX Delta GEN1/GEN2

Introduction

Thank you for choosing the Magazine Base Pad +3 for CZ TS series and Speed Line Magazine Base Pad for AREX Delta GEN1/GEN2. This guide provides essential safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Regularly inspect the base pad for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Emergency Glass Breaker:** The hardened tungsten carbide tip is designed for breaking glass in emergencies. Use this feature responsibly and only in legitimate emergency situations.
- **Extended Capacity:** The base pad increases magazine capacity by two rounds. Ensure that your magazine spring can handle this additional load without compromising safety.
- **Proper Handling:** Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- **Storage:** Store the base pad and any associated equipment in a secure location to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before attempting to install the base pad.
- Remove the existing magazine base pad according to the manufacturer's instructions.
- Align the new base pad with the magazine and press firmly until it clicks into place.
- Verify that the base pad is securely attached before use.

2. Usage:

- Load the magazine according to the manufacturer's guidelines, ensuring not to exceed the new capacity.
- When using the emergency glass breaker feature, ensure you are in a safe environment and that there are no bystanders nearby.
- Regularly check the functionality of the base pad during routine firearm maintenance.

Disposal Instructions

- Dispose of the product responsibly. Follow local regulations for the disposal of firearm accessories.
- If the product is damaged or no longer in use, ensure it is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Magazine Base Pad +3 for CZ TS series and Speed Line Magazine Base Pad for AREX Delta GEN1/GEN2, please reach out to the manufacturer directly. They can provide assistance and address any safetyrelated questions you may have.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority.
