Expanded Capacity: This base pad effectively increases your standard magazine capacity by two rounds, upgrading it from 17 to 19. Enhanced Grip: Designed for secure and highly accurate magazine manipulation, the MaXXXGrip Line base pads provide exceptional gripping force. This is achieved through deep lateral grooves combined with a specialized anti-slip coating on the bottom.

Safety Instruction Guide for Magazine Base Pad for Sig Sauer P226, XFive, LDC | MaXXXgrip Line

Introduction

Thank you for choosing the Magazine Base Pad for Sig Sauer P226, XFive, LDC | MaXXXgrip Line. This product is designed to enhance your magazine capacity and improve grip during use. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magazine base pad.
- Do not exceed the recommended magazine capacity of 19 rounds.
- Use only compatible magazines with the base pad to avoid malfunction or injury.
- Avoid using the base pad in extreme weather conditions that may affect performance.
- Do not modify or alter the base pad in any way, as this may compromise safety and function.
- Be cautious when handling loaded magazines to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Carefully remove the existing base pad from the magazine by following the manufacturer's instructions.
- Align the MaXXXgrip Line base pad with the magazine and press down firmly until it clicks into place.
- Verify that the base pad is securely attached by gently pulling on it.

2. Usage:

- Load the magazine with the desired number of rounds, ensuring not to exceed the maximum capacity of 19 rounds.
- Insert the magazine into the firearm, ensuring it locks into place.
- Practice proper grip techniques while handling the firearm to maximize control and accuracy.
- After use, remove the magazine from the firearm and store it in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and metal waste.
- Do not incinerate or expose the product to extreme heat, as this may release harmful substances.
- If the product is damaged or no longer needed, consider recycling it where facilities are available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Magazine Base Pad for Sig Sauer P226, XFive, LDC | MaXXXgrip Line, please contact your local retailer or manufacturer. They will provide you with the necessary support and information.

By following these guidelines and instructions, you can ensure a safe and effective experience with your Magazine Base Pad. Thank you for prioritizing safety in your firearm practices.
