This product is designed to enhance your magazine capacity while ensuring secure and precise magazine manipulation. Please read this safety instruction guide carefully to ensure safe use and compliance with EU safety regulations.

General Safety Guidelines

- Ensure the product is used as intended and according to the manufacturer's instructions.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Regularly inspect the magazine base pad for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the magazine capacity as specified by the manufacturer.
- Ensure the magazine is securely attached to the firearm before use.
- Avoid using the magazine base pad with incompatible magazines.
- Be cautious when handling loaded firearms; always treat them as if they are loaded.
- Follow all safety protocols for storing and transporting firearms and magazines.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before installing the magazine base pad.
- Remove the existing base pad from the magazine by following the manufacturer's instructions.
- Align the new magazine base pad with the magazine.
- Press down firmly until the base pad clicks into place, ensuring a secure fit.
- Check that the base pad is properly installed by gently tugging on it.

2. Usage:

- Load the magazine with the appropriate number of rounds, ensuring not to exceed the capacity.
- Insert the magazine into the firearm, ensuring it locks into place.
- Perform a function check to ensure the firearm operates correctly with the new magazine base pad.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and plastic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.
