Safety Instruction Guide for Magazine Base Pad for Sig Sauer P226, X5, LDC

Introduction

Thank you for choosing the Magazine Base Pad for Sig Sauer P226, X5, LDC. This product is designed to enhance your magazine capacity while ensuring safety during use. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the Magazine Base Pad is compatible with your specific model of Sig Sauer.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the base pad for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Do not exceed the recommended magazine capacity. Overloading can lead to malfunction or injury.
- When using the magazine, maintain a firm grip to prevent slippage.
- Avoid using the base pad in wet or slippery conditions to maintain traction.
- Always follow the manufacturer's instructions for use and maintenance.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded.
2. Remove the factory base pad from the magazine by pressing the release button or following the manufacturer's guidelines.
3. Align the Magazine Base Pad with the magazine and press it into place until it clicks securely.
4. Verify that the base pad is firmly attached by gently tugging on it.

Usage

- Load the magazine with the appropriate number of rounds (up to 19 with the base pad).
- Insert the magazine into the firearm, ensuring it locks into place.
- When unloading, always point the firearm in a safe direction and remove the magazine carefully.
- Clean the base pad regularly to maintain its antislip coating and overall performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the Magazine Base Pad, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Magazine Base Pad for Sig Sauer P226, X5, LDC. Thank you for your attention to safety.
