

Magazine Base Pad for Sig Sauer P320, P250i½œSpeed Line - Magazine Base Pad for Sig Sauer P320, P250 Speed Line (Silver)

Developed in partnership with professional sport shooters, this premium base pad for Sig Sauer P320 and P250 pistols offers exceptional traction and long-lasting durability. It meets all regulations for IDPA and the IPSC Production and Standard divisions, fitting perfectly within the official IPSC box. Compatible with both OEM Sig Sauer and Mec-Gar magazines, it operates flawlessly with standard factory springs. Machined grooves on three sides facilitate rapid and precise single-handed reloads, while the tight tolerance ensures a secure fit without requiring tools or modifications. Additionally, the flat bottom features specialized grip tape to optimize handling and absorb impact damage typically sustained when dropping magazines in dynamic disciplines.

Safety Instruction Guide for Magazine Base Pad for Sig Sauer P320, P250

Introduction

Thank you for choosing the Magazine Base Pad for Sig Sauer P320 and P250. This product has been developed in collaboration with professional sport shooters to enhance your shooting experience. It is important to read and follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the Magazine Base Pad in accordance with the manufacturer's instructions.
- Ensure that the product is compatible with your specific firearm model.
- Regularly inspect the Magazine Base Pad for any signs of wear or damage before use.
- Do not modify the Magazine Base Pad in any way.
- Keep the product away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the Magazine Base Pad if it appears damaged or defective.
- Ensure that the firearm is unloaded before attaching or detaching the Magazine Base Pad.
- Avoid using the Magazine Base Pad in adverse weather conditions that may affect performance.
- Use only compatible magazines with standard factory springs to ensure safe operation.
- Be aware of your surroundings and ensure a safe shooting environment when using the product.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing base pad from the magazine by following the manufacturer's guidelines.
- Align the Magazine Base Pad with the magazine and press firmly until it clicks into place.
- Check that the Magazine Base Pad is securely attached before use.

2. Usage

- Practice singlehanded reloads to familiarize yourself with the Magazine Base Pad's features.
- Maintain a firm grip on the magazine while inserting it into the firearm.
- Avoid dropping the magazine from a height to prevent damage to the Magazine Base Pad and the magazine itself.

Disposal Instructions

- Dispose of the Magazine Base Pad responsibly and in accordance with local regulations.
- Do not throw the product in regular household waste.
- Check for local recycling programs or hazardous waste disposal options for firearm accessories.
