

Magazine Base Pad Tanfoglio Stock II, III^{1/2}Speed Line - Magazine Base Pad Tanfoglio Stock II, IIISpeed Line (Small Frame, Red)

Frame-Specific Capacity: This base pad expands magazine capacity by two rounds for large frame models and one round for small frame variants, while retaining the standard stock springs. Enhanced Tactile Control: Engineered for high gripping force, Speed Line base pads ensure secure and precise magazine manipulation via deep lateral serrations and a specialized anti-slip bottom coating. Rapid Field Maintenance: Designed for competitive environments, the completely tool-free disassembly mechanism allows for quick and efficient magazine cleaning directly on the field.

Magazine Base Pad Tanfoglio Stock II, III Safety Instructions

Introduction

Thank you for choosing the Magazine Base Pad Tanfoglio Stock II, III Speed Line. This guide provides essential safety instructions and usage information to ensure that you can use this product safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the base pad for wear and tear. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Magazine Base Pad with compatible Tanfoglio models (Stock II and III).
- Do not exceed the magazine capacity as specified in the product description.
- Ensure the magazine is free of ammunition before attempting to install or remove the base pad.
- Avoid using excessive force during installation or disassembly to prevent damage.
- Be aware of the potential for magazine drop during competitive use; practice safe handling techniques.

Instructions for Installation and Usage

1. Installation of the Base Pad:

- Ensure the magazine is unloaded and free from ammunition.
- Align the base pad with the magazine base.
- Press firmly until you hear a click, indicating that the base pad is securely attached.
- Verify that the base pad is firmly in place by gently tugging on it.

2. Usage:

- Use the deep lateral serrations for a secure grip during magazine manipulation.
- Maintain control of the magazine during loading and unloading to prevent accidents.
- Clean the magazine and base pad regularly to ensure optimal performance.

3. Disassembly for Maintenance:

- To disassemble, press the release mechanism located on the base pad.
- Remove the base pad from the magazine without the need for tools.
- Clean the magazine and base pad with a suitable cleaning solution and cloth.
- Reassemble by following the installation instructions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it can be recycled.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For further support and inquiries regarding safety or product issues, please contact the manufacturer or your local retailer.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Magazine Base Pad Tanfoglio Stock II, III Speed Line.
