

Magwell for CZ Shadow 2 series - Magwell for AR15 | Milspec or Similar Receivers

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Massive 270% Larger Insertion Area Drastically reduce your reload times. The funnel's insertion area is expanded to 270% of the factory stock size, creating a massive target that guides your magazine flawlessly into place for lightning-fast, ultra-reliable reloads under pressure. Quick, Tool-Less Installation Achieve a rock-solid, custom fit without the hassle. This magwell includes three different end plugs and two optional shims, allowing you to easily fine-tune the system to perfectly match your specific receiver—no tools required.

Magwell for CZ Shadow 2 Series and AR15 | Milspec or Similar Receivers Safety Instruction Guide

Introduction

Thank you for choosing the Magwell for CZ Shadow 2 series and AR15 | Milspec or Similar Receivers. This product is designed to enhance your reloading experience by providing a larger insertion area and toolless installation. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the magwell out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or removing the magwell.
- Do not force the magazine into the magwell; ensure proper alignment.
- Avoid using the magwell in extreme conditions (e.g., extreme heat or cold) that may affect its performance.
- Be aware of your surroundings and ensure a safe environment when reloading.
- Use only compatible magazines with the magwell to avoid malfunction.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Select the appropriate end plug for your specific receiver.
- If necessary, use the optional shims to achieve a snug fit.
- Insert the chosen end plug into the magwell until it clicks into place.
- Ensure the magwell is securely attached before use.

2. Usage:

- To reload, align the magazine with the magwell's funnel.
- Push the magazine into the magwell until it locks into place.
- Test the magazine's fit by gently tugging to ensure it is secure.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations.
- Do not dispose of the magwell in regular household waste if it is damaged or defective.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Magwell, please refer to the product packaging for contact information or visit the official website.

Conclusion

Your safety is our top priority. By following these guidelines, you can ensure a safe and effective experience with your Magwell for CZ Shadow 2 series and AR15 | Milspec or Similar Receivers. Always remain vigilant and informed about the safe handling of firearms and accessories.
