SpidErgo Pistol Grips for 1911 Pistols Safety Instruction Guide

Introduction

Thank you for choosing the SpidErgo Pistol Grips for 1911 Pistols. These grips are designed to enhance your shooting experience by providing superior control and comfort. This guide outlines essential safety instructions to ensure the safe and effective use of your new grips, in accordance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Keep the grips out of reach of children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage.
- Do not modify the grips in any way, as this may compromise their safety and performance.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Ensure that the grips are securely attached to the pistol before use.
- Avoid using the pistol in wet or slippery conditions, as this may affect grip performance.
- Be aware of your surroundings when handling your firearm; ensure that you are in a safe and controlled environment.
- Use the grips only with fullsize 1911 pistols as intended.
- If you experience any discomfort while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing grips from the 1911 pistol using a suitable screwdriver.
- Align the SpidErgo grips with the mounting holes on the pistol frame.
- Secure the grips using the provided screws, ensuring they are tight but not overtorqued to avoid damage.
- Doublecheck that the grips are firmly attached before handling the firearm.

2. Usage:

- Hold the pistol firmly by the grips, ensuring your fingers are clear of the trigger until ready to shoot.
- Practice proper shooting techniques to maximize the benefits of the ergonomic design.
- Regularly clean the grips with a damp cloth to maintain their texture and appearance.

Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding plastic and electronic waste.
- Do not incinerate the grips, as they may release harmful substances when burned.
- If the grips are damaged or no longer usable, consider recycling them where possible.

Contact Information for Further Support
