# SpidErgo Pistol Grips for 1911 Pistols Safety Instruction Guide

## Introduction

Thank you for choosing SpidErgo Pistol Grips for your 1911 pistol. These grips are designed to enhance your shooting experience by providing superior control and comfort. To ensure your safety and the safety of others, please read and follow the instructions and guidelines outlined in this document.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly check your equipment for any signs of wear or damage, and replace as necessary.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the SpidErgo Pistol Grips are compatible with your specific model of 1911 pistol before installation.
- Do not use the grips if they show any signs of damage or wear.
- Avoid using the grips in extreme conditions (e.g., excessive heat, moisture) that may affect their performance.
- Keep the grips clean and free of debris to maintain optimal grip performance.
- If you experience any discomfort or issues while using the grips, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before beginning the installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Grips:**
  - Use a suitable screwdriver to remove the screws holding the existing grips in place.
  - Carefully remove the old grips from the pistol frame.
3. **Prepare New Grips:**
  - Align the SpidErgo Pistol Grips with the pistol frame, ensuring that the screw holes match up.
4. **Attach New Grips:**
  - Insert the screws through the grips and into the frame.
  - Tighten the screws securely, but do not overtighten, as this may damage the grips.
5. **Final Check:**
  - Ensure that the grips are securely attached and do not wiggle or shift.
  - Perform a function check on your firearm to ensure everything is operating correctly.

### Usage Instructions

- Grip the pistol firmly using the SpidErgo grips, ensuring your fingers are positioned correctly on the trigger and safety.
- Practice proper shooting stance and technique to maximize the benefits of the ergonomic design.
- Regularly practice to become accustomed to the feel and handling of the new grips.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the grips become damaged beyond repair, dispose of them in a manner that prevents them from being used by unauthorized individuals.
- Always follow local regulations regarding the disposal of firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the SpidErgo Pistol Grips, please refer to the manufacturer's contact information provided with your product, or consult your local firearms authority for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SpidErgo Pistol Grips for 1911 Pistols. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
