SpidErgo Pistol Grips for 1911 Pistols Safety Instruction Guide

Introduction

Thank you for choosing SpidErgo Pistol Grips for your 1911 pistol. These grips are designed to provide enhanced control and comfort, making them ideal for competitive shooting. This guide is intended to ensure your safety and the effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the SpidErgo grips are compatible with your specific model of 1911 pistol.
- Regularly inspect the grips for wear and damage before use.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the grips and firearm out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the grips if they show signs of damage or excessive wear.
- Ensure a secure fit of the grips to the pistol to avoid slippage during use.
- Avoid exposing the grips to harsh chemicals or extreme temperatures, which may affect their performance.
- Use the grips only for their intended purpose; they are designed specifically for fullsize 1911 pistols.
- If you experience any discomfort or issues while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from your 1911 pistol using the appropriate tools.
- Align the SpidErgo grips with the grip frame of the pistol.
- Secure the grips using the provided screws, ensuring they are tightened properly but not overtightened to avoid damage.

2. Usage:

- Hold your 1911 pistol firmly with both hands, ensuring your grip is secure on the SpidErgo grips.
- Practice safe handling and shooting techniques at all times.
- Regularly check the grips during use to ensure they remain secure and functional.

Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations.
- Do not dispose of the grips in regular household waste if they are made of materials that require special handling.
- Recycle components where possible, following the appropriate recycling guidelines in your area.
