SpidErgo Pistol Grips for 1911 Pistols Safety Instructions

Introduction

Thank you for choosing SpidErgo Pistol Grips for your 1911 pistol. These grips are designed to enhance your shooting experience by providing superior control and comfort. This safety instruction guide is intended to ensure the safe use of these grips in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the SpidErgo Pistol Grips are compatible with your specific model of 1911 pistol.
- Always handle your firearm in a safe manner, treating it as if it is loaded at all times.
- Store the grips and your firearm in a secure place, out of reach of children and unauthorized users.
- Inspect the grips regularly for any signs of wear or damage. Do not use damaged grips.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Only use SpidErgo Pistol Grips with fullsize 1911 pistols.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may affect firearm safety.
- **Shooting Environment:** Always shoot in a safe and designated area. Ensure you have a clear line of sight and a safe backstop.
- **Children and Vulnerable Groups:** Keep the grips and your firearm away from children and individuals who may not understand the risks associated with firearms.
- **Personal Protective Equipment:** When shooting, always wear appropriate eye and ear protection.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** You will need a screwdriver appropriate for the grip screws.
2. **Remove Old Grips:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Use the screwdriver to remove the screws securing the old grips.
 - Carefully take off the old grips from the firearm.
3. **Install New Grips:**
 - Align the SpidErgo Pistol Grips with the frame of your 1911 pistol.
 - Ensure that all holes are aligned with the screw holes on the frame.
 - Insert screws and tighten them securely, but do not overtighten as this may damage the grips.
4. **Final Check:** Inspect the installation to ensure that the grips are securely attached and properly aligned.

Usage Instructions

- **Grip Handling:** Ensure a firm grip on the pistol while shooting. The SpidErgo grips are designed to provide a sticky feel similar to a spider web, enhancing control.
- **Maintenance:** Clean the grips regularly with a soft cloth to maintain their appearance and functionality.
- **Storage:** When not in use, store your firearm in a secure case to prevent unauthorized access.

Disposal Instructions

- Dispose of any packaging materials responsibly by following local recycling guidelines.
- If the grips are damaged beyond repair, dispose of them in accordance with local waste management regulations. Do not simply discard them in regular trash.

Contact Information for Further Support

For any inquiries regarding the SpidErgo Pistol Grips, please refer to your retailer or the manufacturer's website for support and additional resources. Always ensure that you are following the latest safety guidelines and product updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SpidErgo Pistol Grips for 1911 Pistols. Thank you for your commitment to safety and responsible firearm handling.
