BRASS SpidErgo Gen2 Pistol Grips Safety Instruction Guide

Introduction

Thank you for choosing the BRASS SpidErgo Gen2 Pistol Grips for your CZ Shadow 2, SP01, TS, and 75 series firearms. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your grips. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the BRASS SpidErgo Gen2 Pistol Grips by following all instructions and guidelines outlined in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices related to your grips. Check the EU Safety Gate platform regularly.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations and provides accurate product information.
- **Special Consumer Focus:** Be aware that these grips are designed for adult users. Keep them away from children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Monitor the Safety Gate system for updates on any unsafe products.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Verify that the grips are compatible with your specific firearm model (CZ Shadow 2, SP01, TS, or 75 series).
- Do not use the grips if they show any signs of damage or wear.
- Use only the recommended tools for installation to avoid damaging the grips or your firearm.
- Avoid exposing the grips to extreme temperatures or harsh chemicals, which may degrade the materials.
- Do not modify or alter the grips in any way, as this may compromise safety and performance.
- Ensure that your hands are clean and dry when handling the grips to maintain a secure grip.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools: a screwdriver compatible with the grip screws.

2. Removing Old Grips:

- Carefully remove the screws holding the existing grips in place.
- Gently take off the old grips and set them aside.

3. Installing New Grips:

- Align the BRASS SpidErgo Gen2 Pistol Grips with the grip frame of your firearm.
- Insert the screws provided and tighten them securely, but do not overtighten as this may strip the screws or damage the grips.

4. Final Check:

- Ensure that the grips are firmly attached and do not shift or move.
- Conduct a function check of your firearm to ensure it operates correctly with the new grips.

5. Usage:

- Familiarize yourself with the feel of the new grips before using the firearm in a live situation.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of any old grips and packaging materials in accordance with local regulations.
- Do not dispose of the grips in regular household waste if they contain hazardous materials.
- Consider recycling options for materials like aluminum or brass if applicable.

Contact Information for Further Support

For any questions or concerns regarding the BRASS SpidErgo Gen2 Pistol Grips, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BRASS SpidErgo Gen2 Pistol Grips. Always prioritize safety and responsibility while handling firearms.
