# Safety Instruction Guide for BRASS SpidErgo Gen2 Pistol Grips

## Introduction

Thank you for choosing the BRASS SpidErgo Gen2 Pistol Grips for your CZ Shadow 2, SP01, TS, and 75 series pistols. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the grips are compatible with your specific pistol model before installation.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm safety.
- Inspect the grips regularly for any signs of wear or damage. If you notice any issues, discontinue use immediately.
- Keep the grips out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- **Proper Fit:** Choose the thickness that best matches your hand size to ensure a secure grip and prevent slippage during use.
- **Weight Consideration:** If you opt for Solid Brass grips, be aware that the added weight may affect the balance of your firearm. Practice handling with the new grips to adjust to any changes.
- **Material Sensitivity:** If you have allergies or sensitivities to metals, particularly brass or aluminum, consult with a medical professional before use.
- **Installation Caution:** Ensure the grips are installed securely to avoid any accidents or malfunctions during use.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** You will need a screwdriver suitable for the screws provided with the grips.
2. **Remove Old Grips:** Carefully unscrew and remove the existing grips from your pistol.
3. **Position New Grips:** Align the BRASS SpidErgo Gen2 grips with the pistol frame, ensuring that all screw holes are properly aligned.
4. **Secure Grips:** Using the screwdriver, gently tighten the screws to secure the grips in place. Do not overtighten as this may damage the grips or the pistol.
5. **Final Check:** Ensure that the grips are firmly attached and do not move when pressure is applied.

### Usage

- Always ensure that your firearm is unloaded before handling or adjusting the grips.
- Practice proper firearm handling techniques to maintain safety while using your pistol.
- Regularly check the grips for tightness and condition before and after each use.

## Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations regarding metal waste.
- If you are disposing of the grips due to a safety recall, follow the instructions provided in the recall notice.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your product packaging. It is important to keep this information handy for future reference.

Thank you for prioritizing safety and for choosing BRASS SpidErgo Gen2 Pistol Grips. Enjoy your improved shooting experience!
