Safety Instruction Guide for SpidErgo II Pistol Grips for Sig Sauer P226 DA

Introduction

Thank you for choosing the SpidErgo II Pistol Grips for your Sig Sauer P226 DA. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read the entire guide carefully before installation and use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Keep the grips and all firearm accessories out of reach of children and unauthorized users.
- Inspect the grips regularly for any signs of wear or damage.
- Do not modify the grips or the firearm in any way that may compromise safety.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use only with the standard Sig Sauer P226 pistol (Generations 1 through 5) configured without a magwell.
- Ensure a firm grip on the firearm when handling to prevent slippage.
- Avoid using the firearm in wet or slippery conditions without appropriate precautions.
- Do not use the grips if they are damaged or show signs of excessive wear.
- If you notice any unusual behavior or feel any discomfort while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is completely unloaded.
- Gather the necessary tools for installation (if required).

2. Installation Steps

- Remove the existing grips from your Sig Sauer P226.
- Align the SpidErgo II grips with the grip frame of the firearm.
- Securely attach the grips using the provided screws, ensuring they are tightened adequately but not overtorqued.
- Check that the grips are firmly installed and do not move.

3. Usage Instructions

- Hold the firearm firmly by the grips and ensure your fingers are away from the trigger until ready to shoot.
- Maintain a proper shooting stance and grip to enhance control and accuracy.
- Regularly practice firearm safety and handling techniques.

Disposal Instructions

- Dispose of any damaged grips in accordance with local waste disposal regulations.
- Do not throw away grips in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For safety inquiries or concerns regarding your SpidErgo II Pistol Grips, please refer to the appropriate EUbased contact point for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your SpidErgo II Pistol Grips for Sig Sauer P226 DA. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important guidelines.
