Safety Instruction Guide for SpidErgo II Pistol Grips for Sig Sauer P226 DA

Introduction

Thank you for choosing the SpidErgo II Pistol Grips for your Sig Sauer P226 DA. This guide provides essential safety instructions to ensure the proper use and handling of your new grips. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety regulations.
- Store the grips in a safe place, away from children and unauthorized users.
- Regularly inspect the grips for wear or damage. If any issues are found, discontinue use immediately.
- Be aware of your surroundings when using your firearm equipped with these grips.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the grips if they appear damaged or if you experience issues during installation.
- Ensure that your firearm is unloaded before installing or removing the grips.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Avoid using the grips in extreme weather conditions that may affect their performance.
- Be cautious when cleaning the grips to avoid damaging the texture or the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the Sig Sauer P226 DA is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver suitable for the grip screws.

2. Installation:

- Remove the existing grips from the firearm by unscrewing the grip screws.
- Align the SpidErgo II Grips with the grip frame of the Sig Sauer P226 DA.
- Carefully attach the grips by inserting and tightening the grip screws. Ensure they are secure but do not overtighten.

3. Usage:

- Once installed, familiarize yourself with the feel and handling of the firearm.
- Practice safe firearm handling techniques at all times.
- Regularly check the grips for tightness and any signs of wear.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the grips in regular household waste.
- If the grips are damaged beyond use, consider recycling options where available.
