SpidErgo II Pistol Grips for Sig Sauer P226 DA

Safety Instruction Guide

Introduction

Thank you for choosing the SpidErgo II Pistol Grips for your Sig Sauer P226 DA. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new grips. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe handling of the SpidErgo II Pistol Grips by following all instructions provided in this guide. The grips are designed for use with the Sig Sauer P226 pistol without a magwell.
- **Enhanced Recalls:** Stay informed about any product recalls. In case of a recall, you will be provided with standardized notices and remedies at no cost.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements, just as a physical store would.
- **Special Consumer Focus:** These grips are intended for adult users only. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided on the packaging or the product's official website.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the grips are only installed on Sig Sauer P226 models without a magwell.
- **Condition of Firearm:** Always check that your firearm is unloaded before installing or handling the grips.
- **Grip Texture:** The SpidErgo texture enhances handling but may not be suitable for all users. Be aware of your grip strength and comfort level.
- **Inspection:** Regularly inspect the grips for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Always treat your firearm as if it is loaded. Follow all standard firearm safety practices.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver suitable for the grip screws.

2. Installation:

- Remove the existing grips from the Sig Sauer P226 by unscrewing the grip screws.
- Align the SpidErgo II Pistol Grips with the grip frame of the firearm.
- Secure the grips in place by tightening the grip screws. Ensure they are snug but do not overtighten to avoid damage.

3. Usage:

- Practice handling the firearm in a safe environment to become accustomed to the new grips.
- Ensure a proper grip is maintained during use to enhance control and accuracy.

4. Maintenance:

- Clean the grips with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the grip material.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grips are damaged beyond repair, dispose of them in a manner that prevents reuse.
- Always follow local waste disposal guidelines for any materials associated with firearms.

Contact Information for Further Support

For any questions or concerns regarding the SpidErgo II Pistol Grips, please refer to the manufacturer's contact information provided on the packaging or the product's official website.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your enhanced shooting experience with the SpidErgo II Pistol Grips.
