Safety Instruction Guide for SpidErgo II Pistol Grips for Sig Sauer P226 SA

Introduction

Thank you for choosing the SpidErgo II Pistol Grips for Sig Sauer P226 SA. These premium grips are designed to enhance your shooting experience. However, safety is paramount when using firearm accessories. This guide provides essential safety instructions and guidelines to ensure the safe use of your new grips.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing any accessories.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely to prevent unauthorized access, especially from children.
- Always use eye and ear protection when shooting.
- Regularly inspect your firearm and accessories for wear or damage.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Only install the grips on compatible models (Sig Sauer P226 SA).
 - Ensure the firearm is unloaded before beginning installation.
- **During Use:**
 - Maintain a firm grip on your firearm at all times.
 - Be aware of your surroundings and ensure a safe shooting environment.
- **PostUse:**
 - Clean your grips regularly to maintain optimal performance.
 - Inspect for any signs of wear or damage after each use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from the firearm by unscrewing the grip screws.
- Align the SpidErgo II grips with the mounting holes on the firearm.
- Secure the grips in place by tightening the screws evenly.
- Doublecheck that the grips are securely attached before using the firearm.

2. Usage:

- Hold the firearm with both hands, ensuring a firm grip on the newly installed grips.
- Practice safe shooting techniques, following all standard firearm safety rules.
- If you experience any discomfort or issues while using the grips, stop using them immediately and consult a professional.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the grips become damaged or no longer function properly, follow local regulations for disposal of firearm accessories.
