Retaining Clip for Dillon 1050 / 1100 Cartridge Bin

Safety Instructions

Introduction

Thank you for choosing the Retaining Clip for Dillon 1050 / 1100 Cartridge Bin. This product is designed to enhance the stability of your Cartridge Bin while reloading, preventing spills and wobbling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the Retaining Clip is compatible with your Dillon reloading machine model.
- Regularly inspect the clip for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product failures to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Cartridge Bin is securely locked into place using the Retaining Clip before starting the reloading process.
- Do not overload the Cartridge Bin beyond its specified capacity, as this may cause instability.
- Avoid using the Retaining Clip if it shows signs of damage or wear.
- Do not attempt to modify or alter the Retaining Clip in any way.
- Always handle the clip with care to avoid injury.

Instructions for Installation and Usage

1. Installation

- Place the Cartridge Bin on your Dillon reloading machine.
- Align the Retaining Clip with the designated locking points on the Cartridge Bin and the machine.
- Firmly press the clip into place until you hear a click, indicating a secure fit.
- Doublecheck that the clip is locked and the Cartridge Bin is stable.

2. Usage

- Begin your reloading process once the Cartridge Bin is secured.
- Monitor the stability of the Cartridge Bin during operation, especially during rapid reloading cycles.
- If you notice any wobbling or instability, stop the reloading process immediately and check the Retaining Clip.

3. PostUse Care

- After use, remove the Retaining Clip carefully by pressing the release mechanism.
- Store the clip in a safe, dry place away from direct sunlight and moisture.
- Regularly clean the clip to maintain its functionality and longevity.

Disposal Instructions

- Dispose of the Retaining Clip in accordance with local regulations for plastic products.
- Do not dispose of the clip in regular household waste if it is damaged or worn out; check for recycling options available in your area.

- Ensure that the product is kept out of reach of children during disposal.

Contact Information for Further Support

For any questions or concerns regarding the Retaining Clip for Dillon 1050 / 1100 Cartridge Bin, please refer to the manufacturer's contact details provided in the product packaging.
