Retaining Clip for Dillon 1050 / 1100 Cartridge Bin

Safety Instruction Guide

Introduction

Thank you for choosing the Retaining Clip for the Dillon 1050 / 1100 Cartridge Bin. This precisionengineered clip is designed to enhance your reloading experience by securely locking your Cartridge Bin against your Dillon reloading machine. To ensure safe and effective use, please follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure the product is suitable for your specific Dillon model (1050 or 1100).
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the clip for wear or damage before each use.
- Do not use the clip for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the Cartridge Bin is empty before attaching the clip.
- Do not attempt to force the clip into place; it should fit securely without excessive pressure.
- Avoid using the clip in environments with high humidity or extreme temperatures, as this may affect its performance.
- Do not overload the Cartridge Bin beyond its recommended capacity when using the clip.
- If the clip becomes damaged, discontinue use immediately and replace it with a new one.

Instructions for Installation and Usage

1. Preparation

- Ensure your Dillon reloading machine is turned off and unplugged.
- Gather all necessary tools for installation, if required.

2. Installation

- Align the Cartridge Bin with the mounting area on your Dillon reloading machine.
- Position the Retaining Clip over the Cartridge Bin, ensuring it is oriented correctly.
- Gently press the clip down until it locks securely in place. Ensure that it is firmly attached and does not wobble.

3. Usage

- Once installed, load your Cartridge Bin with the appropriate materials.
- Regularly check that the clip remains securely in place during operation.
- If you notice any wobbling or instability, stop using the reloading machine immediately and inspect the clip.

Disposal Instructions

- Dispose of the Retaining Clip in accordance with local regulations.
- Do not dispose of the clip in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Retaining Clip for Dillon 1050 / 1100 Cartridge Bin, please refer to the manufacturer's contact details provided with your product packaging or visit the official website for support.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Dillon reloading machine. Thank you for your attention to safety.
