Retaining Clip for Dillon 1050 / 1100 Cartridge Bin

Safety Instruction Guide

Introduction

Thank you for choosing the Retaining Clip for Dillon 1050 / 1100 Cartridge Bin and Primer Pickup Tube. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure the product is compatible with your Dillon Precision reloading press model.
- Inspect the retaining clip for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Avoid excessive force when installing or removing the retaining clip to prevent damage.
- Ensure that the reloading press is turned off and unplugged during installation.
- Do not alter the retaining clip in any way, as this may compromise its functionality.
- If you experience any issues during use, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your work area is clean and welllit.
- Verify that you have the correct retaining clip for your specific Dillon model.

2. Installation:

- Turn off and unplug your Dillon Precision reloading press.
- Locate the area where the retaining clip will be installed.
- Align the retaining clip with the designated slot or fitting.
- Gently press the retaining clip into place until it is securely fitted.

3. Usage:

- Once installed, ensure that the retaining clip is functioning properly by testing the reloading press.
- Monitor the operation of the press during use to ensure that the clip remains secure.

Disposal Instructions

- Dispose of any damaged or worn retaining clips in accordance with local waste disposal regulations.
- Recycle materials when possible, following your local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Retaining Clip for Dillon 1050 / 1100 Cartridge Bin, please refer to the manufacturer's website or customer support services for assistance.

Thank you for prioritizing safety and following these guidelines to ensure a safe and effective reloading experience.
