Safety Instruction Guide for Shellplate with Case Retainer Spring for Dillon XL650/XL750 Magazine Base Pad for SIG Sauer MPX +5rnd

Introduction

Thank you for choosing the Shellplate with Case Retainer Spring for Dillon XL650/XL750 Magazine Base Pad for SIG Sauer MPX +5rnd. This product is designed to enhance your magazine capacity, providing you with additional firepower during competitions or at the range. It is essential to use this product safely and responsibly. This guide contains important safety instructions and guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure you are familiar with the operation of your firearm and any modifications made to it.
- Store all firearm accessories in a safe place, out of reach of children and unauthorized users.
- Inspect the product regularly for wear and tear. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Use only with compatible models: Ensure the magazine base pad is used exclusively with Dillon XL650/XL750 and SIG Sauer MPX models.
- Avoid overloading: Do not exceed the additional capacity provided by the magazine extension. Overloading can lead to malfunctions.
- Maintain a safe distance: When using the firearm, ensure that bystanders are at a safe distance.
- Wear appropriate safety gear: Always wear eye and ear protection when shooting.
- Do not modify the product: Altering the magazine base pad can compromise safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine base pad from your magazine.
- Align the Shellplate with Case Retainer Spring with the magazine and press it into place until it clicks.
- Ensure that the base pad is securely attached and does not move.

2. Usage:

- Load your magazine according to the manufacturer's guidelines.
- When loading, ensure that each round is seated properly.
- Regularly check the magazine for proper function during use.
- If any issues arise while using the magazine, cease use immediately and inspect for damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm accessories.
- If the product is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided on the packaging or product insert.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Shellplate with Case Retainer Spring for Dillon XL650/XL750 Magazine Base Pad for SIG Sauer MPX +5rnd. Always prioritize safety and be aware of your surroundings while using firearms and accessories.
