Safety Instruction Guide for Small Pin for Armanov Swage PRO | Dillon XL650 / XL750 Spring Kit

Introduction

Thank you for purchasing the Small Pin for Armanov Swage PRO and Dillon XL650 / XL750 Spring Kit. This guide provides essential safety instructions to ensure the safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and follow the instructions provided in this guide before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any wear or damage to the product before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Small Pin only with compatible Dillon XL650 and XL750 presses.
- Do not modify the product in any way, as this can compromise safety and effectiveness.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Ensure that the workspace is clean and free from obstructions before starting any reloading activity.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.

Instructions for Installation and Usage

1. Installation

- Ensure that the Dillon press is turned off and unplugged before installation.
- Remove any existing pins or components that need replacing.
- Align the Small Pin with the designated slot on the Dillon press.
- Gently insert the Small Pin until it is fully seated in place.
- Doublecheck to ensure that the pin is securely installed.

2. Usage

- Before starting the reloading process, ensure that all components are correctly installed and functioning.
- Operate the Dillon press according to the manufacturer's guidelines to maintain safety.
- Monitor the reloading process for any unusual noises or malfunctions.
- If any issues arise, stop using the product immediately and inspect for damage.

Disposal Instructions

- Dispose of the product according to local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to reduce environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Small Pin for Armanov Swage PRO and Dillon XL650 / XL750 Spring Kit, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with your Small Pin for Armanov Swage PRO and Dillon XL650 / XL750 Spring Kit. Thank you for your attention to safety!
