Safety Instruction Guide for Small Pin for Armanov Swage PRO | Dillon XL650 / XL750 Shellplate Shim Kit for Frankford Arsenal X10

Introduction

Thank you for choosing the Small Pin for Armanov Swage PRO and Dillon XL650 / XL750 Shellplate Shim Kit for Frankford Arsenal X10. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all products comply with the EU General Product Safety Regulation (GPSR).
- Always follow the manufacturer's instructions for safe use.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Use the product only for its intended purpose as described in the instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Ensure that the workspace is clean and free of any obstructions that may cause accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Avoid any contact with moving parts during operation to prevent injury.
- Do not exceed the recommended load limits specified by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Read all instructions carefully before beginning installation.
- Ensure that the press is powered off and unplugged during installation.
- Locate the designated area for the shellplate shim on the Frankford Arsenal FX10.
- Carefully position the shim in place, ensuring a snug fit without forcing it.
- Doublecheck the alignment of the shim before securing it in place.

2. Usage:

- Once installed, power on the press and perform a test run to ensure proper functioning.
- Monitor the operation closely during initial use to identify any irregularities.
- Finetune the vertical play of your shellplate as needed for optimal performance.
- If you experience any issues such as case ejection snap or powder spilling, stop using the product immediately and consult the troubleshooting section of the manual.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and nonfood products.
- Do not dispose of the product in regular household waste.
- Check with local authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Small Pin for Armanov Swage PRO and Dillon XL650 / XL750 Shellplate Shim Kit for Frankford Arsenal X10, please refer to the manufacturer's contact information provided on the product packaging or official website.

By following these safety instructions, you can ensure a safe and effective experience with your new product. Thank you for your attention to safety and compliance.
