

Small Pin for Armanov Swage PRO | Dillon XL650 / XL750 - Milled Aluminium Station One Locator for Dillon XL650/XL750 (#5 - 13546)

Eliminate the weak link in your progressive reloading cycle. Station One dictates the alignment of your entire progressive run, yet factory components often flex under heavy use, leading to tilted cases and jammed indexing. The Armanov Station One Locator # is precision CNC-machined from premium high-grade aluminium, delivering industrial rigidity to ensure every cartridge enters the cycle with absolute geometric perfection.

Safety Instruction Guide for Small Pin for Armanov Swage PRO | Dillon XL650 / XL750

Introduction

Thank you for choosing the Small Pin for Armanov Swage PRO. This product is designed to enhance the safety and efficiency of your progressive reloading cycle. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product meets the safety standards set by the EU General Product Safety Regulation (GPSR). It is essential to follow the guidelines provided to ensure safe use.
- **Hazard Identification:** Potential hazards include improper installation, misuse, and failure to follow safety precautions.
- **Consumer Reporting:** Report any unsafe products or accidents to the relevant authorities. Stay updated on recall notices through the EU Safety Gate platform.
- **Vulnerable Groups:** Extra caution should be taken when this product is used around children or individuals who may not fully understand the risks involved.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the product.
- **Check Compatibility:** Ensure that the Small Pin is compatible with your Dillon XL650/XL750 before installation.
- **Inspect Regularly:** Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- **Avoid Overloading:** Do not exceed the recommended load limits during use to prevent failure.
- **Keep Out of Reach:** Store the product in a safe place, out of reach of children and pets.
- **Use Personal Protective Equipment (PPE):** Wear appropriate PPE such as safety glasses and gloves when handling or installing the product.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment before starting the installation.
- Ensure that your workspace is clean and welllit.

2. Installation:

- Carefully remove the Small Pin from its packaging.
- Align the Small Pin with the designated location on the Dillon XL650/XL750.
- Gently press or tap the pin into place, ensuring a snug fit without excessive force.
- Verify that the pin is securely installed and does not move or flex.

3. Usage:

- Follow the standard operating procedures for your Dillon XL650/XL750.
- Monitor the reloading process closely for any irregularities.
- If you notice any jams or misalignments, stop the operation immediately and check the installation of the Small Pin.

4. PostUse:

- After use, clean the area around the Small Pin to remove any debris.
- Store the product in a dry, secure location.

Disposal Instructions

- Dispose of the Small Pin and any packaging materials in accordance with local regulations.
- Do not dispose of the product in general waste if it is damaged or defective. Check with local waste management for proper disposal methods.

Contact Information for Further Support
