Safety Instruction Guide for Stainless Station One Locator for Dillon XL650/XL750 Toolhead and Die Wrench for Frankford Arsenal X10

Introduction

Thank you for choosing the Stainless Station One Locator for Dillon XL650/XL750 Toolhead and Die Wrench for Frankford Arsenal X10. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before use to understand the necessary precautions and proper handling procedures.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear. Do not use if damaged.
- Follow all instructions for installation and usage to avoid accidents or injuries.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tool.
- Use the wrench only in welllit areas to ensure visibility during operation.
- Avoid using excessive force when tightening or loosening die lock nuts to prevent tool or die damage.
- Do not use the wrench on damaged or corroded lock nuts, as this may lead to breakage or injury.
- Keep hands and other body parts away from moving parts during operation.
- Do not modify the tool in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Installation of the Tool:

- Ensure the Dillon XL650/XL750 toolhead is properly mounted on the Frankford Arsenal X10 press.
- Confirm that the die lock nuts are accessible and free from debris or obstructions.

2. Using the Wrench:

- Position the wrench over the die lock nut you wish to adjust.
- Ensure that the wrench is seated securely on the nut for maximum grip.
- Slowly apply pressure to the wrench to loosen or tighten the lock nut as needed.
- If resistance is encountered, do not force the wrench. Instead, check for any obstructions or damage.

3. PostUsage Care:

- Clean the wrench after each use to remove any dirt or residue.
- Store the wrench in a dry place, away from moisture, to prevent corrosion.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and effective experience with the Stainless Station One Locator for Dillon XL650/XL750 Toolhead and Die Wrench for Frankford Arsenal X10.
