Safety Instruction Guide for Inserts for Universal Rear Sight Pusher (#5)

Introduction

Thank you for choosing the Inserts for Universal Rear Sight Pusher. This innovative tool is designed for the safe and efficient adjustment of sights on a wide variety of handguns. To ensure your safety and the optimal performance of this product, please read this guide carefully and follow all instructions.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before use. Do not use if damaged.
- Only use the tool for its intended purpose.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the handgun is unloaded before making any adjustments.
- Wear appropriate eye protection while using the tool.
- Make sure the work area is clean and free of distractions.
- Do not place any body parts in the path of the tool during operation.
- Avoid using excessive force when adjusting sights; this may damage the tool or the handgun.
- Follow all safety regulations pertaining to the handling of firearms.

Instructions for Installation and Usage

1. Prepare the Handgun

- Ensure the handgun is completely unloaded.
- Remove any accessories that may interfere with the sight adjustment.

2. Setup the Universal Rear Sight Pusher

- Select the appropriate slidegripping blocks for your handgun's slide geometry.
- Attach the slidegripping blocks to the Universal Rear Sight Pusher according to the manufacturer's instructions.

3. Position the Handgun

- Securely place the handgun in the tool, ensuring it is stable and properly aligned.
- Doublecheck that the slidegripping blocks are firmly holding the handgun.

4. Adjust the Sights

- Carefully turn the adjustment mechanism to move the sights as needed.
- Make small adjustments and check the alignment frequently.
- Once satisfied with the adjustment, remove the handgun from the tool.

5. Clean Up

- After use, clean the tool and store it in a safe place.

- Ensure the work area is tidy and free from any tools or materials left behind.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options if available.
