

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen2 System - Rem 700 - SA - RH - WTB

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

- Name: MDT Chassis - ACC Premier Gen2 System - Rem 700 - SA - RH - WTB
- Manufacturer: MDT
- Product no.: EU2018730
- Mfr. No.: 109512-WTB
- Colour: Bronze
- Material: 6061 Aluminum
- Model: 700
- Style: Chassis
- Weapon type: Remington
- Delivery weight: 371kg
- Shipping height: 156mm
- Shipping width: 187mm
- Shipping length: 791mm
- UPC: 990482733087

ACC Premier Gen 2 Folding System MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions and information to ensure the safe and effective use of your chassis. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the chassis and associated equipment out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Use only compatible accessories and components as specified by the manufacturer.
- Follow all safety instructions provided by the firearm manufacturer.

Specific Safety Precautions for Use

- **Handling Firearms:** Always ensure the firearm is unloaded before attaching or detaching the chassis.
- **Installation:** Ensure that the installation area is clean and free of obstructions to avoid accidents.
- **Weight Distribution:** When adjusting weights, ensure that the rifle remains balanced to prevent instability during use.
- **Ergonomics:** Adjust the cheek weld, hand position, and length of pull to fit your body size and shooting style for optimal control.
- **Shooting Environment:** Be aware of your surroundings and ensure a safe shooting environment, free from bystanders and obstacles.
- **Emergency Procedures:** Familiarize yourself with emergency procedures should an accident occur.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the necessary tools (screwdriver, etc.) for installation.
- Carefully remove the action from your firearm according to the manufacturer's instructions.
- Place the action into the chassis, aligning it with the precisionengineered VBlock bedding system.
- Secure the action by tightening the two screws provided. Ensure they are snug but do not overtighten.
- Check that the chassis is securely attached and that there is no unwanted movement.

2. Usage:

- Before each use, check that all components are secure and functioning correctly.
- Adjust the forend and accessories as needed to suit your shooting style.
- Practice shooting in a safe environment to familiarize yourself with the chassis' handling characteristics.
- After use, clean the chassis according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal and aluminum recycling.
- Ensure that any attached components are also disposed of following the same guidelines.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional information regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Always prioritize safety and responsibility when handling firearms and related equipment.
