

CRBN Kit - MDT Chassis - CRBN Hunter Kit - Tikka T3X - SA - LH - Fixed - ARCA - CCF

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

Attributes

MDT CRBN Kit MDT Chassis Consumer Safety Instruction Guide

Introduction

Thank you for choosing the MDT CRBN Kit MDT Chassis CRBN Hunter Kit for your Tikka T3X rifle. This guide provides essential safety instructions to ensure safe usage and maintenance of your product. Please read this guide carefully before using the product to maximize your safety and performance.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and its components before using the MDT CRBN Kit.
- Always handle your rifle and accessories with care, treating them as if they are loaded, even when they are not.
- Store the MDT CRBN Kit in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your MDT CRBN Kit for any signs of damage. If any damage is detected, do not use the product until it has been repaired or replaced.
- Follow all local laws and regulations regarding firearm usage and ownership.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that your shooting environment is safe and that there are no people or animals in the vicinity of your shooting area.
- Avoid using the MDT CRBN Kit in wet or damp conditions to prevent damage to the materials.
- Be cautious when adjusting the length of pull or any other adjustable features. Make adjustments only when the rifle is not in use.
- Do not exceed the manufacturer's recommended specifications for accessories and attachments.

Instructions for Installation and Usage

1. Installation of the MDT CRBN Kit:

- Ensure that your Tikka T3X rifle is unloaded and the action is open.
- Remove the existing stock from your rifle by unscrewing the action screws.
- Align the MDT CRBN Kit with the action and secure it using the provided screws. Ensure the Vblock bedding is correctly positioned.
- Tighten the screws to the manufacturer's specified torque setting to ensure a secure fit.

2. Adjusting the Length of Pull:

- Use the provided spacers to adjust the length of pull to your preference.
- Ensure that the adjustments are secure before using the rifle.

3. Mounting Accessories:

- Use the integrated ARCA rail and MLOK slots to attach bipods, tripods, or other accessories.
- Ensure that all accessories are securely mounted before use.

4. Routine Maintenance:

- Regularly clean the MDT CRBN Kit to remove dirt and debris.

- Inspect all components for wear and tear, and replace any damaged parts promptly.

Disposal Instructions

- Dispose of the MDT CRBN Kit in accordance with local regulations regarding carbon fiber and composite materials.
- Do not dispose of the product in household waste. Instead, contact a local waste management authority for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the MDT CRBN Kit MDT Chassis, please consult the manufacturer's website or contact their customer support. Ensure that you have your product details on hand for the most efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT CRBN Kit MDT Chassis. Always prioritize safety and responsible usage.
