

CRBN Kit - MDT Chassis - CRBN Hunter Kit - Tikka T3X - SA - LH - Fixed - ARCA - HGF

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

Attributes

MDT CRBN Kit Safety Instructions

Introduction

Thank you for choosing the MDT CRBN Kit MDT Chassis CRBN Hunter Kit for your Tikka T3X rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the MDT CRBN Kit.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MDT CRBN Kit. Follow all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recall notices regarding the MDT CRBN Kit. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, confirm that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products.

Specific Safety Precautions for Use

- **Handling:** Always handle the MDT CRBN Kit with care. Avoid dropping or subjecting it to impact.
- **Installation:** Ensure that the chassis is properly installed according to the instructions to avoid accidents during use.
- **Maintenance:** Regularly inspect the MDT CRBN Kit for any signs of wear or damage. Replace any damaged components immediately.
- **Shooting Environment:** Use the product only in safe shooting environments. Ensure that the area is free of hazards and that you are following all local laws and regulations.
- **Personal Safety Gear:** Always wear appropriate personal protective equipment, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Installation of the MDT CRBN Kit:

- Ensure your rifle is unloaded before beginning installation.
- Follow the manufacturer's instructions to attach the chassis securely to the rifle.
- Check that all screws and fasteners are tightened properly.
- Verify that the action is securely bedded in the magnesium micro chassis.

2. Using the MDT CRBN Kit:

- Adjust the length of pull using the spacers provided for optimal comfort.
- Utilize the integrated thumb shelf for better grip and control.
- Attach QD slings to the front and rear QD cups for added convenience.
- Engage the ARCA rail and MLOK slots for mounting bipods or other accessories as needed.

3. Shooting:

- Before shooting, ensure that the rifle is properly zeroed and that you are familiar with its operation.

- Use the wide forend to stabilize your shots and minimize flex.
- Track your shots carefully, utilizing the "deadfeel" feature of the foamfilled stock for better accuracy.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the MDT CRBN Kit responsibly. Follow local regulations for the disposal of carbon fiber and other materials.
- **Recycling:** If possible, recycle the components of the MDT CRBN Kit to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT CRBN Kit, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT CRBN Kit. Thank you for your attention to these guidelines.
