

CRBN Kit - MDT Chassis - CRBN Hunter Kit - Rem 700 - SA - LH Fixed - ARCA - CCF

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

Attributes

MDT CRBN Kit Safety Instruction Guide

Introduction

Thank you for choosing the MDT CRBN Kit MDT Chassis CRBN Hunter Kit. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before using the MDT CRBN Rifle Stock.

General Safety Guidelines

- Ensure safe handling and usage of the MDT CRBN Rifle Stock.
- Be aware of the potential hazards associated with the use of firearms and firearm accessories.
- Always follow local laws and regulations regarding firearm usage.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure the rifle is unloaded when installing or adjusting the stock.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the ARCA rail or MLOK slots.
- Be cautious when adjusting the length of pull; ensure that all spacers are securely in place.
- Avoid exposing the stock to extreme temperatures or harsh chemicals that may compromise its integrity.
- Store the rifle in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that you have all the necessary tools and components before starting the installation.
2. **Unloading:** Make sure the rifle is completely unloaded and pointed in a safe direction.
3. **Remove Existing Stock:** If applicable, remove the existing stock from the rifle according to the manufacturer's instructions.
4. **Attach the MDT CRBN Stock:**
 - Align the stock with the action of the rifle.
 - Securely fasten the stock using the provided screws and tools.
 - Ensure that the Vblock bedding is properly seated for stability.
5. **Adjust Length of Pull:**
 - Use the provided spacers to adjust the length of pull to your preference.
 - Ensure that all spacers are tightly secured.
6. **Install Accessories:**
 - Attach bipods, tripods, or other accessories to the ARCA rail or MLOK slots as needed.
 - Ensure that all attachments are secure and do not interfere with the operation of the rifle.

Usage

- Before each use, inspect the stock for any signs of damage or wear.
- Familiarize yourself with the adjustments available, including the length of pull and thumb shelf positioning.
- Practice shooting in a safe environment to become accustomed to the stock's feel and performance.
- Maintain a proper shooting stance to maximize stability and accuracy.

Disposal Instructions

- When disposing of the MDT CRBN Rifle Stock, follow local regulations for the disposal of carbon fiber materials.
- Do not burn the stock, as it may release harmful substances.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MDT CRBN Kit MDT Chassis CRBN Hunter Kit, please consult the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT CRBN Rifle Stock. Thank you for your attention to safety.
